

Springhouse Receives MOR RV2 Residential Vendor Ranking from Morningstar Credit Ratings, LLC for Asset Valuation

LUXEMBOURG -- (Marketwired) -- 01/18/18 -- [Springhouse](#) today announced that it has received Morningstar Credit Ratings, LLC's MOR RV2 residential-vendor ranking as an asset valuation provider. Morningstar's forecast for the ranking is Positive.

Founded in 2009, Springhouse is a full-service valuation solutions and appraisal management company. Springhouse provides property valuation and appraisal services in all 50 states and five major territories in the United States.

As a member of the Altisource Portfolio Solutions S.A. family of businesses ("Altisource"), Springhouse leverages Altisource's shared services. With Altisource's extensive and diversified product solutions for the real estate industry, Springhouse clients are provided the opportunity to consolidate services with a single full-service vendor.

The Morningstar ranking is based on a variety of factors, including:

- | Springhouse has an effective corporate governance program that monitors the company's compliance with appraisal independence requirements and the customary and reasonable fee provisions contained in the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010. The compliance area also ensures that the appropriate state licenses are in place and current. The company continues to obtain an SSAE No. 16 (Reporting on Controls at a Service Organization) SOC 1 report annually.
- | Springhouse has strong vendor-selection criteria and vendor-rating standards that effectively measure vendor performance, as reflected in the execution of service-level agreements with its customers.
- | Quality control standards are embedded in Springhouse's proprietary and third-party technology, ensuring that work orders received from vendors are thoroughly reviewed and that clients receive a quick report turnaround time and low revision rate.
- | Springhouse benefits from a solid technology environment, a well-defined project management process, effective network security protocols, and a disaster recovery and business continuity plan that leverages the company's geographically diverse office locations for built-in redundancy.

Springhouse has completed more than 570,000 valuations since 2012 using its nationwide vendor panel of more than 24,000 brokers and appraisers. In addition to a full suite of appraisal and BPO solutions, the company provides innovative and alternative valuation products for use in originations, servicing and capital markets. Springhouse is focused on sustained growth initiatives, entering 2018 with a new sales and management team in place and anticipates several new products and services to be announced in the coming year.
