

Lenders One Reports Strong Sales Momentum in Origination Solutions

December 16, 2025

Estimated \$15 Million in Annual Closed-Won Contracts and Expanding Late-Stage Pipeline with over 39 Prospects

LUXEMBOURG, Dec. 16, 2025 (GLOBE NEWSWIRE) -- Altisource Portfolio Solutions S.A. ("Altisource®" or the "Company") (NASDAQ: ASPS), a leading provider of real estate and mortgage solutions, today announced significant sales momentum in its Origination Solutions business, driven by strong demand for **Lenders One® Credit** ("L1 Credit") and **Lenders One® Verification** ("L1 Verification") services. The Company recently signed contracts with and commenced providing L1 Verification and L1 Credit services to **six U.S. mortgage lenders (including one top lender*)**. The revenue from these new clients is anticipated to be fully ramped in the first quarter of 2026.

Highlights

- **Added 12 total members** and 9 net new members to the Lenders One Cooperative in Q3 2025. Notably, 5 of these 12 new members are already using L1 Credit and L1 Verification services.
- **Expanding late-stage pipeline** for L1 Credit and L1 Verification services across multiple lender and servicing clients.
- **The 2026 industry price increases for the underlying credit data and related services** are expected to drive increased adoption of L1 Credit and L1 Verification services from Lenders One members seeking to reduce the impact of these price changes.

"Lenders are navigating margin pressure and operational complexity, and they're looking for service providers who can help them improve unit economics without sacrificing compliance or customer service," said Justin Demola, CMB, President of Lenders One and Senior Vice President of Origination Solutions, Altisource. "Given our mission of helping members maximize revenue, reduce costs, and improve decision making, it is gratifying to see our member community recognize the value that Lenders One offers to their businesses".
