ALTISOURCE ANNOUNCES PRELIMINARY FOURTH QUARTER AND FULL YEAR FINANCIAL RESULTS

Luxembourg, March 10, 2016 - Altisource Portfolio Solutions S.A. (“Altisource”) (NASDAQ: ASPS) today announces preliminary fourth quarter and full year 2015 results, capping off a year of strong financial performance with 2015 service revenue of \$940.9 million, the best in the Company’s history. 2015 service revenue growth in the asset management business along with the full year benefit of the 2014 Mortgage Builder acquisition offset lost revenue from the November 2014 discontinuation of the lender placed insurance brokerage business, the full amortization of Equator acquisition deferred revenue in November 2014 and fewer 2015 valuation referrals. The growth of the asset management business was primarily driven by a higher number of both non-Ocwen and Ocwen homes sold on Hubzu and growth in the property inspection and preservation business.

The Company’s 2015 diluted earnings per share of \$2.02 was impacted by a \$71.8 million non-cash impairment charge primarily driven by the Company’s current projected Technology Services revenue from Ocwen and investment in technologies provided to Ocwen. Adjusted diluted earnings per share⁽¹⁾ for 2015 of \$6.96 significantly exceeded the mid-point of the Company’s 2015 financial scenarios.

Fourth Quarter 2015 Results Compared to Fourth Quarter 2014:

- Service revenue of \$251.0 million, a 15% increase
- Net loss attributable to Altisource of \$45.1 million compared to a net loss attributable to Altisource of \$1.5 million in the fourth quarter 2014
- Net loss includes a non-cash impairment loss of \$71.8 million (no comparable amount in the fourth quarter 2014)
- Adjusted net income attributable to Altisource⁽¹⁾ of \$38.0 million, a 506% increase
- Diluted loss per share of \$2.35 compared to diluted loss per share of \$0.08 in the fourth quarter 2014
- Adjusted diluted earnings per share⁽¹⁾ of \$1.86, a 564% increase
- Cash from operations of \$86.2 million, a 20% increase

Full Year 2015 Results Compared to Full Year 2014:

- Service revenue of \$940.9 million, a 0.2% increase
- Net income attributable to Altisource of \$41.6 million, a 69% decrease
- Net income was impacted by a \$71.8 million non-cash impairment loss partially offset by a \$7.6 million gain on Equator earn out liability compared to a net gain from these items of \$0.5 million in 2014
- Adjusted net income attributable to Altisource⁽¹⁾ of \$143.5 million, a 15% decrease
- Diluted earnings per share of \$2.02, a 64% decrease
- Adjusted diluted earnings per share⁽¹⁾ of \$6.96, a 3% decrease
- Cash from operations of \$195.4 million, a 1% decrease

“I am very pleased with our operating results and the progress we are making on our strategic initiatives to diversify and grow our revenue and earnings. We believe our non-Ocwen growth, recent customer wins, current negotiations with new and existing customers and our robust pipeline activity demonstrate Altisource’s value to the market and our ability to deliver on our initiatives,” said Chief Executive Officer William B. Shepro.

Fourth quarter and full year 2015 highlights include:

- We were selected by two top ten banks⁽²⁾ to provide services for their portfolios in 2015, including the selection by a top four bank in the fourth quarter. We have agreements to provide services and/or software to five of the top ten banks and one GSE;
- We repurchased \$58.9 million of our common stock in 2015 (2.1 million shares at an average price of \$27.60 per share); this includes \$10.0 million of repurchases in the fourth quarter (0.4 million shares at an average price of \$26.23 per share). In January and February of 2016, we repurchased \$5.0 million of our common stock (0.2 million shares at an average price of \$27.58 per share);
- We repurchased \$49.0 million of our senior secured term loan for \$44.4 million (a weighted average discount of 10.3%), resulting in net pretax gains of \$3.8 million on the early extinguishment of debt in 2015; this includes fourth quarter repurchases of \$22.0 million for \$19.8 million (a discount of 11.0%), resulting in a pretax gain of \$1.8 million;
- To strengthen the Real Estate Investor Solutions initiative, we acquired RentRange[®] and Investability[™] in the fourth quarter for \$24.8 million; and
- The average number of loans serviced by Ocwen Financial Corporation and its subsidiaries (“Ocwen”) on REALServicing[®] was 2.0 million, an 8% decrease compared to the year ended December 31, 2014 (the average number of loans was 1.7 million in the fourth quarter 2015, a 31% decrease compared to the fourth quarter 2014).

⁽¹⁾ This is a non-GAAP measure that is defined and reconciled to the corresponding GAAP measure herein.

The financial data in this press release is unaudited and preliminary, based upon estimates and subject to completion of the Company’s financial closing procedures and the audit of the Company’s financial statements. Moreover, this data has been prepared on the basis of currently available information. This data does not constitute a comprehensive statement of the Company’s financial results for the year ended December 31, 2015, and the Company’s final numbers for this data may differ materially from these estimates. The Company’s independent registered public accounting firm has not audited or reviewed, and does not express an opinion with respect to, this data.

Forward-Looking Statements

This press release contains forward-looking statements that involve a number of risks and uncertainties. These forward-looking statements include all statements that are not historical fact, including statements about management’s beliefs and expectations. These statements may be identified by words such as “anticipate,” “intend,” “expect,” “may,” “could,” “should,” “would,” “plan,” “estimate,” “seek,” “believe,” “potential” and similar expressions. Forward-looking statements are based on management’s beliefs as well as assumptions made by and information currently available to management. Because such statements are based on expectations as to the future and are not statements of historical fact, actual results may differ materially from what is contemplated by the forward-looking statements. Altisource undertakes no obligation to update any forward-looking statements whether as a result of new information, future events or otherwise. The risks and uncertainties to which forward-looking statements are subject include, but are not limited to, Altisource’s ability to integrate acquired businesses, retain key executives or employees, retain existing customers and attract new customers, general economic and market conditions, behavior of customers, suppliers and/or competitors, technological developments, governmental regulations, taxes and policies, availability of adequate and timely sources of liquidity and other risks and uncertainties detailed in the “Forward-Looking Statements,” “Risk Factors” and other sections of Altisource’s Form 10-K and other filings with the Securities and Exchange Commission.

Webcast

Altisource will host a webcast at 11:00 a.m. EST today to discuss our fourth quarter and full year results. A link to the live audio webcast will be available on Altisource’s website in the Investor Relations section. Those who want to listen to the call should go to the website at least fifteen minutes prior to the call to register, download and install any necessary audio software. A replay of the conference call will be available via the website approximately two hours after the conclusion of the call and will remain available for approximately 30 days.

About Altisource

Altisource Portfolio Solutions S.A. is a premier marketplace and transaction solutions provider for the real estate, mortgage and consumer debt industries. Altisource’s proprietary business processes, vendor and electronic payment management software and behavioral science-based analytics improve outcomes for marketplace participants. Additional information is available at www.Altisource.com.

NON-GAAP MEASURES
(in thousands, except per share data)
(unaudited)

Adjusted net income attributable to Altisource and adjusted diluted earnings per share are non-GAAP measures used by management, existing shareholders and potential shareholders to measure Altisource's performance. Adjusted net income attributable to Altisource is calculated by adding intangible asset amortization expense (net of tax) and impairment losses (net of tax) and deducting gains associated with reductions of the Equator earn out liability (net of tax) to GAAP net income attributable to Altisource. Adjusted diluted earnings per share is calculated by dividing net income attributable to Altisource plus intangible asset amortization expense (net of tax) plus impairment losses (net of tax) less gains associated with reductions of the Equator earn out liability (net of tax) to GAAP net income attributable to Altisource by the weighted average number of diluted shares. Reconciliations of the non-GAAP measures to the corresponding GAAP measures are as follows:
