Lenders One Announces New Fraud Detection, Credit Vendor

National Mortgage Cooperative adds Informative Research to its Platform

ST. LOUIS--(BUSINESS WIRE)-- The [Lenders One Mortgage Cooperative](#), a national alliance of community mortgage bankers, correspondent lenders and suppliers of mortgage products and services, has added Informative Research as its newest preferred provider. Lenders One® Members now have additional access, at a discounted rate, to mortgage information services including tri-merge credit reports, fraud detection, credit score management tools and more.

"Lenders One continuously optimizes our vendor network to ensure our Members have best-in-class options that give them the control and flexibility they need to efficiently run their operations and serve their borrowers," said Jeff McGuinness, CEO of Lenders One. "Informative Research offers Lenders One Members a broad, compliant range of products with the exceptional service levels they and their borrowers expect."

"Informative Research is dedicated to offering Lenders One Members timely, market-desirable solutions like SoftQual™ which provides a 'soft-pull' FICO Score on a consumer based report," commented Stan Baldwin, COO of Informative Research. As a Tier One provider of credit reports, we own and control our tri-merge logic allowing us to quickly adhere to regulatory standards and ensure our customers remain compliant, a critical standard for Lenders One Members."
