Altisource Named to 2015 IAOP Global Outsourcing 100

Company is included for the fifth consecutive year

LUXEMBOURG--(BUSINESS WIRE)-- Altisource Portfolio Solutions S.A. ("Altisource" or the "Company") (Nasdaq:ASPS), a leading provider of mortgage, financial and technology services for the real estate industry, today announced that it has been named to The Global Outsourcing 100 List by the International Association of Outsourcing Professionals® (IAOP®). This is the fifth consecutive year that Altisource has been named to the list.

"This recognition highlights our focus on helping our customers achieve better performance and profitability and the highest levels of customer service and compliance," said William B. Shepro, Chief Executive Officer of Altisource. "Altisource's inclusion in The Global Outsourcing 100 List for the fifth straight year is a tribute to our thousands of employees around the world who provide a world class set of products and services to our customers, helping them grow and solve their business challenges."

The Global Outsourcing 100, now in its tenth year, recognizes the world's best outsourcing service providers. These rankings are based on applications received and evaluated by an independent judging panel organized by the IAOP. The winning companies were judged on four critical characteristics: size and growth, delivery excellence, programs for innovation, and corporate social responsibility.

"The ten-year milestone made it the perfect time to expand and build upon the Global Outsourcing 100's growing recognition and value," said Michael Corbett, IAOP Chairman. "We've done that with a greater emphasis on making it easier to find companies and the excellence required to make the list. Being named to The Global Outsourcing 100 list is no easy task, and IAOP is pleased to recognize Altisource for their excellence and achievement."
