Forward-Looking Statements

This Form 8-K contains forward-looking statements that involve a number of risks and uncertainties. These forward-looking statements include all statements that are not historical fact, including statements about management’s beliefs and expectations. These statements may be identified by words such as “anticipate,” “intend,” “expect,” “may,” “could,” “should,” “would,” “plan,” “estimate,” “seek,” “believe,” “potential” and similar expressions. Altisource undertakes no obligation to update any forward-looking statements whether as a result of new information, future events or otherwise. The risks and uncertainties to which forward-looking statements are subject include the intention of Altisource in connection with the repurchase of shares of Altisource common stock by Altisource.
