Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On February 27, 2020, the Board of Directors of Altisource Portfolio Solutions S.A. (“Altisource”) approved a 2020 Long-Term Equity Incentive Program (the “2020 LTIP”) equity award. The award is comprised equally of two types of performance-based restricted stock units (“RSUs”) - Type I and Type II.

Type I performance-based RSUs will vest in three equal annual increments on the first three anniversaries of the February 27, 2020 grant date, subject each year to the executive officer meeting a minimum performance level of fifty percent (50%) on his annual scorecard for the 2020, 2021 and 2022 service years. To the extent the Type I performance-based RSUs vest, they will be settled in shares or, at the Company’s option, cash, subject to continued employment unless otherwise provided in the applicable award agreement.

The award of Type II performance-based RSUs will be determined in a two-step process. In the first step, Type II performance-based RSUs will have the opportunity to vest based on the degree of the Company’s achievement of pre-established goals tied to 2020, 2021 and 2022 adjusted earnings per share (a non-GAAP measure). Based on the Company’s level of performance versus the adjusted earnings per share goals over the three (3) year period, Type II performance-based RSUs will have the opportunity to vest between zero percent (0%) up to one hundred fifty percent (150%) of the initial target levels (the “Initial Award Size”). In the second step, the Initial Award Size will be modified based on Altisource’s total shareholder return versus the return of the Russell 3000 Index during the performance period (2020-2022), resulting in a final earned award equal to zero percent (0%) up to two hundred twenty-five percent (225%) of the Initial Award Size. Any earned Type II performance-based RSUs will vest entirely on the third anniversary of the grant date and will be settled in shares or, at the Company’s option, cash, subject to continued employment unless otherwise provided in the applicable award agreement.

The 2020 LTIP equity award is designed to incent the achievement of adjusted earnings per share goals and stock-price appreciation over a multi-year period, supporting a long-term focus and further aligning executive compensation with shareholder interests and market practice, as well as supporting the retention of our executive.

The 2020 LTIP equity awards were approved for one of our named executive officers, as follows:

	Target 2020 LTIP Value	Performance-Based RSUs - Type I⁽¹⁾	Performance-Based RSUs - Type II⁽¹⁾
William B. Shepro Chairman and Chief Executive Officer	\$ 1,259,961	32,880	32,880

(1) Based on a price per share of \$19.16, the average closing price of our common stock over the 30 trading days preceding the February 27, 2020 grant date.

The equity awards was approved, and will be issued, pursuant to the Company’s 2009 Equity Incentive Plan, as amended and restated.

The foregoing description of the equity awards does not purport to be complete and is subject to, and is qualified in its entirety by, the full text of the award agreement to be entered into with the named executive officer, the form of which will be filed as an exhibit to our quarterly report on Form 10-Q for the first quarter of 2020.
